

Prepare for successful application to the Marie Skłodowska-Curie Postdoctoral Fellowships
2023 Call - Tailor-made on-line workshop
9 June 2023, 9.00 – 14.00 CET, MS Teams,

Please note, that only postdoctoral researchers who will apply for preparation of MSCA PF project proposal with the University of Maribor as their future host institution by 30 April 2023 as published [here](#) and their supervisors will be eligible to participate in this tailor made workshop. They will receive the **MS Teams link to attend the workshop via e-mail on 8 June 2023**.

To participate in the tailor-made workshop, please send the [MSCA keywords](#) of your draft project application no later than **1 June 2023**, to euraxess.um@um.si. You will receive a document in your return message in connection with the MSCA Keyword Application Evaluation Process, asking you to prepare and submit a .ppt presentation of at least six pages, no later than **8 June 2023 at 12:00 CET**, to euraxess.um@um.si. The first three pages will need to include some positive and negative comments from the received document according to the evaluation criteria (excellence, impact and implementation). The next three pages will need to highlight the key challenges you foresee in the preparation of your application and how these could be addressed in terms of all three criteria.

In case of any questions, please do not hesitate to contact us at euraxess.um@um.si.
