DELAVNICA: Akademsko pisanje kot temeljna dejavnost akademskega udejstvovanja: vpogled in refleksija

WORKSHOP: Academic writing as a cornerstone activity in academic practice: insights and reflections

Govorec / Lecturer:	Prof. Dr. Sarah Moore
Kratka vsebina delavnice / short content of the workshop	
<p>As an advocate of academic writing as a cornerstone competence for thinking, learning, critiquing and understanding, Sarah will tell the story of her experiences with writing development in academia. She will discuss the importance of academic writing supports for faculty and students, and explore the idea that academic writing can be among the most problematic and dysfunctional aspects of higher education. She will also discuss ideas for establishing, healthy, supportive and effective writing development supports including writing development techniques and pedagogies, writing groups, writing centres, writers retreats and writing champions.</p>
